SUSTAINABLE TRANSPORT FOR A BETTER CITY.

Table of Contents - Volume 4

CBC16 EIAR Volume 4 – Part 1 of 2	
Appendix Number	Title
Chapter 2: Need for the Proposed Scheme	
A2.1	Planning Report
Chapter 3: Consideration of Reasonable Alternatives	
A3.1	Scherzer Bridges Options Report
Chapter 4: Proposed Scheme Description	
A4.1	Preliminary Design Guidance Booklet for BusConnects Core Bus Corridors
Chapter 5: Construction	
A5.1	Construction Environmental Management Plan (CEMP)
Chapter 6: Traffic & Transport	
A6.1	Transport Impact Assessment Report
A6.2	Transport Modelling Report
A6.3	Junction Design Report
A6.4	Impact Assessments
CBC16 EIAR Volume 4 – Part 2 of 2	
Chapter 7: Air Quality	
A7.1	Detailed Modelling Results
Chapter 8: Climate	
A8.1	Construction Phase Embodied Carbon
Chapter 9: Noise & Vibration	
A9.1	Noise and Vibration Survey
A9.2	Operational Phase Traffic Noise Impacts
Chapter 10: Population	
A10.1	Schedule of Commercial Businesses
A10.2	The Economic Impact of the Core Bus Corridors
Chapter 12: Biodiversity	
A12.1	Aquatic Survey Results
A12.2	Desk Study
A12.3	Marine Mammal Risk Assessment
A12.4	Breeding Bird Vantage Point Survey Data
A12.5	Wintering Bird Vantage Point Survey Data
Chapter 13: Water	
A13.1	Water Framework Directive Compliance Assessment
A13.2	Site Specific Flood Risk Assessment
A13.3	Hydrodynamic Modelling of the Dodder Estuary
Chapter 14: Land, Soils, Geology & Hydrogeology	
A14.1	Scheme Walkover Summary
A14.2	GI Reports
Chapter 15: Archaeology & Cultural Heritage	
A15.1	List of Archaeology Investigations
A15.2	Inventory of Archaeological and Cultural Heritage Sites
A15.3	Glossary of Impacts and Assessment Methodology
A15.4	City and County Development Plan, Relevant Policies and Objectives
A15.5	Underwater Archaeological Impact Assessment Dodder Public Transport Opening Bridge Project
A15.6	Underwater Archaeological Impact Assessment Proposed Boardwalk Locations (Ringsend to City Centre Core Bus Corridor Scheme (part of the BusConnects Dublin – Core Bus Corridor Infrastructure Works))
Chapter 16: Architectural Heritage	
A16.1	Historical Background
A16.2	Inventory of Architectural Heritage Sites

CBC16 EIAR Volume 4 – Part 1 of 2	
Appendix Number	Title
A16.3	Methodology for Works Affecting Sensitive and Historic Fabric
Chapter 17: Landscape (Townscape) & Visual	
A17.1	Arboricultural Impact Assessment Report
Chapter 18: Waste & Resources	
A18.1	Legislation and Policy
A18.2	List of Waste Codes for Construction and Demolition Wastes
Chapter 20: Risk of Major Accidents and / or Disasters	
A20.1	SEVESO Sites
A20.2	Hazard Identification Record
Chapter 21: Cumulative Impacts & Environmental Interactions	
A21.1	Record of Stages 1 & 2 of Cumulative Effects Assessment (Longlist to Shortlist)
A21.2	Stage 4 Specialist Assessments
A21.3	Air Quality Cumulative Modelling Results
